Notes

**Background:**

I hale from Tannis, a small Elven community on the far side of Isle.

I grew up the only child of a blacksmith and artisan woodworker, learning to hunt in the woods around the community. After I came of age I helped protect the trade routes around the village.

**Bond:**

Seleraun, the village elder gifted me with patronage. (It's traditional for one from the village to be gifted the sponsorship should the opportunity arise)

**Traits:**

Having only ever lived the Elven community, I'm innocent, and slightly in awe of everything. But very excited about seeing new things and meeting new people.

**Flaws:**

I'm overly trusting.

**Ideals:**

I want to see the world and make my family proud.

**Why I want to join the Guild:**

To see the world and make my family proud.
