Background:

Sir Rhubarb's close friends may call him "Tricky".

Tricky comes from a long lineage of Hobbit-Knights, a family line that is *dedicated to noble causes*.

Tricky was Knighted "Sir Rhubarb" by the fair Lady Gaboir, when he finally slayed his Nemesis Valankor, Demon of the under-dark, who had, for many years, attempted to gain control over him and distract him from his true cause, using dark magic and misdirection.

Bond:

Tricky answers to no-man.

Tricky has, by virtue of upbringing and lineage, a Deep & Profound Bond with Nature.

He takes care to avoid disturbing the Natural Order.

He is In-Tune with Mother Nature - she speaks to him, and he Acts.

Traits:

Trustworthy, Honest, Open, Direct, and *Fiercely Loyal*.

Empathetic & Compassionate.

Flaws:

A fondness for Halfling's Leaf a.k.a. "Pipe-weed".

I don't suffer fools gladly.

I require Clarity, in all things, and become **very frustrated** if I am unable to gain Clarity.

Ideals:

Protect the Innocent.

Why I Founded the Guild:

In order to meet like-minded Adventurers, and assist them on their Adventures, to the best of my Ability, and, in so doing, foster long-lasting friendships.
